DIRECTORS' VIEW

Having taken into account all the relevant circumstances (including the fact that the nature of the information described above does not constitute any significant change affecting any matter contained in the Prospectus or give rise to a significant new matter, the inclusion of information in respect of which would have been required to be in the Prospectus if it had arisen before the Prospectus was issued, and that such changes do not alter any particular or information of the Company which is necessary to enable an investor to make an informed assessment of the activities, assets and liabilities, financial position, management and prospect of the Company and of its profits and losses and of the rights attaching to the Shares), the Directors do not consider such changes sufficiently significant so as to justify the issue of a supplemental prospectus and supplemental **WHITE** and **YELLOW** Application Forms.
